

## Promoting Independence — Improving Quality of Life

The award-winning **autonome** is the world's first system to seamlessly integrate environmental control, AAC, television and entertainment into one convenient, streamlined package.

### Improve Your Bottom Line and Patient Satisfaction

We work with independent rehabilitation units and skilled nursing facilities to **improve the quality of life** for patients with debilitating conditions including:

- ▶ Spinal Cord Injuries
- ▶ Neurological Disorders
- ▶ Stroke
- ▶ Brain Injuries
- ▶ Progressive Diseases (i.e. ALS, MS, etc.)
- ▶ Any Condition Causing Severe Disabilities
